

BOTH MIXED AND MALE CHORUSES TO GO ON TOURS

Faculty Resolutions Set Regulations For Trips

Whether the Male Chorus and the Mixed Chorus are to go on tours this year was a much debated question for the last few weeks but has now been definitely settled by the faculty. Both the Male Chorus and the Mixed Chorus are to tour.

Practically all of the uncertainty hinged on the financial support of the two choruses, especially of the mixed group, because it is the larger of the two, with a personnel of 30 students. Last year the publicity department under Rev. A. Braun assumed sole responsibility for financing the tours, but because of larger chorus personnel, which greatly increases travelling and equipment

The presentation culminated in a short musical drama depicting

a scene of Franz Schubert's life in Vienna in the year 1828. Of the characters Mr. Brandt portrayed the part of the composer Schubert. Miss Justin, the sweet-

heart Sylvia, and Mr. Pence, the composer's friend, Joseph von Spaum. The simple plot centered around the inspiration and composition of Schubert's music.

cal gems, "Who Is Sylvia" and "Unfinished Symphony". The love element was woven into the theme of the music and the plot of the play. Costumes were in keeping with the spirit of the

Vocal numbers rendered by Miss Justin and Mr. Pence accompanied by Mr. Brandt included the following numbers: No.

for Herbert's "The Red Mill", the selection from the Bohemian Girl Opera, "I Dreamt That I Dwelt", "Rose Marie" and "My Maryland" the final number.

Famous compositions were selected for the piano program by Mr. Brandt. These included Paderewski's "Minuet," and "Liebestraum" by Liszt. The pianist

played his own composition "Slavic Dance" which was inspired by his native land and people.

offered this part of the program in medley form, adding interpretations of his own at random. The requests included "Tales from Vienna Woods", "Beautiful Blue

Danabé" by Strauss, "Largo" by Handel, "Humoresque" by Dvorak, "Minuet in G" by Beethoven, and "To Spring" by Grieg.

Salvi and Quartet
To Present Concert

Playing one of the most beautiful and colorful of all instruments, Alberto Salvi, world famous harpist, will appear in Wartburg auditorium on Monday.

A unique instrumental quartet will also offer selections. In addi-

tion to Mr. Salvi, the quartet includes: Caroline Solfonek, flute; Ann Hawryllw, violin; Alexa Robert, viola and Goffredo Mazzari, violincello.

Students will be admitted free upon showing their student activity tickets. There will be an admission charge of 50c for adults, and 25c for children over eight.

expense, the department has declined to take full responsibility. As the music department is not in a position to subsidize tours, the following plan has been worked out: each member of both

choruses is to make one deposit of three dollars into a common treasury. If the tours make expenses, these deposits will be returned. Since the members of the

charges are not, as at other schools, required to pay for instruction and music, this arrangement should meet with little opposition.

Other Possibilities.
The plan of taking a tour with the combined choruses was also thoroughly discussed but dropped as far as this year is concerned.

According to this plan the male chorus would present a part of the program and then combine with the women to form the bass sections for the mixed chorus.

The male chorus will in probability, begin in the latter part of the season, and the mixed chorus, Illinois, about the third week in April. If the mixed chorus is

The following are the resolutions passed by the faculty pertaining to the new building:

A. That the male chorus tour is not to extend over four seasons.

B. That the mixed chorus tour shall not extend over five school days, and shall be completed by April 25.

II. That a three dollar deposit be required from each person intending to go on tour, said deposit to be made or arranged for by the end of February.

IV. That Prof. E. G. Heist be authorized to reduce the per-

V. That student representatives of the two organizations who may engage in publicity

work for the tours or in making arrangements, be responsible to the publicity committee.

Three Faculty Members Attend Board Meeting

Pres. E. J. Ersulick, Dean G. J. Neumann, and Rev. A. H.

Braun attended a joint meeting of the board of education and college executives at Milwaukee hospital, Milwaukee, Wis., Feb. 3 and 4. Dr. C. H. Graening of

Some of the matters discussed were: the coordination of senior and junior college curricula,

greater teaching efficiency, teachers' salary scale, provision for superannuated teachers, and introduction of a course on stewardship in the seminaries.

Danitschek Elected President of Chorus

Theodore Dariuszek, junior member of the bass section, was elected president of the Wartburg mixed chorus at a regular practice session of the organization. Miss Elizabeth Roschke was chosen a

The new president, in his first official act, appointed Arthur Nickel business manager.

SEMINARY NOTES

President E. H. Rausch returned recently from an extensive trip, during which he was in New York City; Oak Harbor, Ohio; and Milwaukee, Wis.

Rev. H. F. Schuh, director of finance of the American Lutheran church, was a recent visitor on the campus.

Several members of the graduating class have received calls to minister.

Radio station WKBB of Duquogue has extended to the seminary the privilege of broadcasting a half hour program every Sunday afternoon. Plans are being made to present on this program, a sermon, liturgies, and musical numbers by the male chorus, directed by Dr. Jagnow.

The Reverends M. L. Adix and M. Sandrock were recent visitors on the campus.

Julius Holm, senior, delivered a radio sermon over station WKBB on Sunday, Feb. 7.

A collection was recently received from the student body for the flood sufferers.

Six volleyball teams have been

A basketball game was recently played with the seminary of Du-

Chapels --- Convocations

MEYER LEADS BY TELLING OF TRIP ACROSS GERMANY

Rev. Hass Deals With Lenten Sacrifices; Others Speak.

A wide variety of subjects, both educational and religious, was presented to the student body during the past two weeks by the following convocation speakers: Rev. Paul Meyer of Hampton, Iowa; Mr. C. H. Hoff, a member of the Iowa State Highway Patrol; Rev. Norman Hass, Dr. J. Hiltner, Prof. A. W. Swenson, and Prof. H. J. Kaufman.

In Reverend Meyer's speech on Tuesday, Feb. 2, he explained the attitude received while touring Germany last summer. He pointed out a number of things which are a credit to the German government, such as cleanliness in every part of the country, and the efforts to eliminate unemployment. Reverend Meyer stated, "All in all, many things are highly commendable in the New Germany, but it also has its sunny parts. There are three things which a liberty-loving American, I could not help but feel. These are: the restriction of the freedom of speech, press and pulp, the treat-

ment of the Jews; and the attitude towards Christianity." The speaker went on to show how the German government attempts to make the church a national affair and so rob Christianity of its universal character.

Lecture on Patrol System

The program on Monday, Feb. 3, consisted of an illustrated lecture on highway safety and its purpose of the patrol system, given by Mr. C. H. Hoff. "As a member of fifty men who are patrolling the Iowa highways, it is my duty to safeguard and protect your lives. However, we cannot reach the goal which we have set without your help."

"First safety programs are effective as proved by statistics taken from some of our cities, the Providence, R. I. The death rate due to automobile accidents decreased from forty in 1921 to 20 in 1935. In Evanston, Ill., the mortality rate was decreased from twelve in 1927 to two in 1935."

Entering the Lenten Season.

As Wednesday was commemorated by a fitting address given by Rev. Norman Hass. Using the word "Grief" as an example, he showed how foolish people are in celebrating before Lent and then feel that they are pleasing God by making a sacrifice during the six weeks of penance. "I do not know why people are so quick to enter the Lenten season," he said, "but I am not condemning those who do so. However, God during the days of Lent, but rather those who get all the pleasure they can to last during those days, and then they enter Lenten on at Easter. God

HIGH LIGHTS OF THE PARTY

After a cross-stage procession of every guest present, the judges concluded that Herbert second left, should be awarded first places

is not susceptible to such trifles as a man would propagate. "In truth if we find a sacrifice which is pleasing to God, it is a broken and a contrite heart. This is one sacrifice that God is interested in, whether it be done Lent or at other times, and it is one which everyone can give if only he will."

Spiritual Mathematics.

On Monday, Feb. 3, Dr. Hiltner, chairman of the convocation committee, substituted for a speaker who was unable to come. He spoke on the topic of "Spiritual Mathematics." Using the story of Jonathan who was convinced that the Lord can help by many as by few, the speaker brought out the thought that faith in God is not governed by our everyday arithmetic. Ordinary arithmetic does not hold true even in the sphere of life, as is shown when the value of education is calculated by the number of pupils, books and dollars involved.

"We have been impressed, educated and inspired by the influence of science determined by experimentation. Undoubtedly the world is governed by mathematics, but also undoubtedly, mathematics cannot apply in other

realms. It will not work in the kingdom of God."

How Things Come About.

Prof. A. W. Swenson conducted convocation on Wednesday, Feb. 3. He described the process of growth in a tree as a remarkable example of laboratory in which marvelous things take place. The convocation Professor Swenson asked, "How is this possible?" A mere description of natural facts will never satisfy the inquiring mind. Our answer, the speaker said, "is best explained in the words of the famous poem by Joyce Kilmer, 'Only God Can Make a Tree.'"

The Sunday Paper.

"An American Sunday Paper" was the subject discussed by Prof. H. J. Kaufman on Tuesday, Feb. 3. He spoke of the make up of the Sunday paper with its various sections. Since the Sunday paper must in part finance the morning edition during the week, advertising plays an important part in the support of the editor. Professor Kaufman said, "With a fairly estimate, I should say that sixty-six percent of the Sunday paper is devoted to advertising."

The Sunday paper is aiming to please the average American.

In a slow game the Wartburg Knights took an easy win over Waukon 55-40 on the high school floor Wednesday, Feb. 3, 35-40.

Knights opened the scoring for the juniors with a long shot, but the Knights were held back by Beckler, Luckens and Kappmeyer and scored a 10-3 advantage. Coach Hartel then poured his second team on the floor, and Waukon seized the advantage and with new life and spirit began to solve the Wartburg defense. The drive carried them to 17 points at the Knights' expense, four more for 25 at the close of the first half.

Play Evenly.

The start of the second half found both teams holding it hot on even terms. Midway in the first period Wartburg still held her 7 point advantage, 25-15. At this point the Knights came alive and began to steadily increase their lead to finish the game 55-40.

Becker led the Knight attack with 16 points, and was followed by Hartel and Luckens with 12 and 9 points. Green and Erickson scored for the losers with 10 points each.

Knights Keep Win Record

Have Not Lost Game on Home Floor in Two Years.

ASK ACK

By Scriber Ackermann

Columbia 34
Upper Iowa 18

Coch Hartel has announced that at the present place names for the Wartburg team to have a track team this year. It will be of great advantage to Wartburg to engage in another year's track season. The team will be able to place a good team on the field. This is a nucleus of five fellows from St. Paul-Catholics 1937 champions. Some Nickel on hurdles and jumps, and Waukon can win. Ackermann on weights and basketball.

And there are several new men who show promise, namely, Chadwick, and James, Wahlen and Oiler in distance. Trifled in sports. Breaker in pole vault, and Elmer and Rich in the weights. It is a long time until the call will come but we can start thinking it over now.

Paup and Chadwick.

Although the Rinkydinks deserve mention for the good record of the Wartburg team, and turning in of late special mention is due to Paup and Chadwick who are leading the "B" team in scoring. Besides having a good record for the hoop these two men have shown a good floor game, both on offense and defense. On Rinkydinks.

The 1936-37 basketball season has been about a thing of the past and with the Knights having but one year remaining, they will be able to keep the slide and record. Last year's record, which was not a game upon its home floor.

Last year's record, which was not a game upon its home floor.

The next issue of the Trumpet will feature the Wartburg team. The Wartburg team is a nucleus of five fellows from St. Paul-Catholics 1937 champions. Some Nickel on hurdles and jumps, and Waukon can win. Ackermann on weights and basketball.

And there are several new men who show promise, namely, Chadwick, and James, Wahlen and Oiler in distance. Trifled in sports. Breaker in pole vault, and Elmer and Rich in the weights. It is a long time until the call will come but we can start thinking it over now.

Besides having a good record for the hoop these two men have shown a good floor game, both on offense and defense. On Rinkydinks.

A Challenge

Those ambitious Ambassadors, following the example of the Rinkydinks, are now facing a formal challenge to the Rinkydinks. They will take it or leave it.

CO-EDS CONQUER PLAINFIELD 29-19

Wartburg Turns Back Stubborn Visiting Team in Fast Game

Columbia 34
Upper Iowa 18

Blazing loose with a fast pace, the Wartburg Co-eds downed the Plainfield girls 29-19 in the nine-covered huddle in the southeastern part of the campus Feb. 4.

The Wartburg girls gave the Rinkydinks quite a scare in the opening few minutes, they scored the lead and pushed the score in their favor in the first quarter.

Girls Kick.

The start of the second quarter found the visitors increasing the lead to 10-6, but the Wartburg Co-eds then rallied under the scoring of Wahlen and Allyn, who scored two and three baskets respectively, to give Wartburg half in the favor of the home team.

Wartburg continued to increase its lead behind Wagner, Drake, Erickson, Allyn and J. Quick to end the game 29-19.

RINKYDINKS WIN THREE CONTESTS

Defeat Waverly 32 to 21, Trounce School 38-29, and Dumont 36-28.

ASK ACK

By Scriber Ackermann

Columbia 34
Upper Iowa 18

Having found that the fruit of victory tastes sweet, the Rinkydinks continued their winning streak with a victory over Waverly 32-21, Trounce School 38-29, and Dumont 36-28.

Defeat Waverly.

In their first contest with the Waverly Independents this season, as a preliminary to the Waukon contest, Coach Leach's team up and came easily and turned back the stubborn Waverly team 32 to 21. In the first half the Waverly team stepped out with a well-powered passing attack and secured it. They might overcome the Rinkydinks as they feared about in the first half 14-11. But the Rinkydinks, who had closed the first quarter 5-3 and the half 17-10 in favor of the home team. In the third quarter the Rinkydinks succeeded in forming their offense and counted 9 points while holding Waverly scoreless. The Dumont team then rallied under Goodell (No. 39) and outscored the Rinkydinks in the final quarter 10-10 to close the game 32-25.

The following night against Dumont the Rinkydinks turned in the same thing. They won to the time of 34-20. The game was somewhat ragged in the first half as both teams were not able to score any kind of a passing attack and closed the first quarter 5-3 and the half 17-10 in favor of the home team. In the third quarter the Rinkydinks succeeded in forming their offense and counted 9 points while holding Waverly scoreless. The Dumont team then rallied under Goodell (No. 39) and outscored the Rinkydinks in the final quarter 10-10 to close the game 32-25.

Shellie Shell Rock.

The "B" team journeyed over to Shell Rock on February 9 and found a determined Shell Rock team which battled them to over terms throughout the first half. Chadwick kept the Rinkydinks in the running with 10 points as he led.

Pen Paid.

This column has given a lot of space to the Pen Paid in the past, but they deserve it. On the initiative they have better to get and made a name for the visitors as is "O. C." With H. H. Kuehl, game the bond will have its valuable leader, but here's hoping they stick together for every game.

Seniors.

The Rinkydinks are hereby issuing a formal challenge to that great Senior team in hopes of overcoming the overwhelming defeat which they suffered against in the season. And the seniors accept. Coach Hartel states that the school of practice is filled up, but that it will be worked in practice. Everybody out with the tunic's struggle lists please.

Seniors.

When the basketball season is over this column feels that it would be a good idea to have an all-sports sports site. Getting aside the hours from 7 to 11:30 some night, 5 or 6 days, but tests could be arranged between students. For instance, a girls basketball game, a game between boys students and girls students of other states, girls volleyball game, volleyball game, girls and men and to top it off the struggle between the Seniors and Rinkydinks. What think you?

From Travel.

This week-end the Knights returned to journey to the western part of the state and meet Waukon Union on Saturday night and Buena Vista on Monday night. Wartburg previously defeated Waukon here 43-26, but have not yet met Buena Vista. If the team is victorious in both games they will take a tie for first place with Luther.

Just call on Camp.

Too bad we couldn't have had that volleyball game between the girls and boys. Itene Grier, wanting No. 39 on the Dumont team, Coach Koster says he will be visiting by referring girls game. Becker says he wants to see it in his left hand. Let's see what Prof. Frick new giving daily lessons and Koster in good playing. Be good.
